

About CFCPA

CFCPA is a chapter of the Florida Crime Prevention Association. Our members are comprised of both law enforcement and business representatives who live and work in Brevard, Lake, Orange, Osceola, Seminole and Volusia counties. Our By-laws are available for review. We meet regularly to share information on crime trends and remediation techniques found effective against crime in our communities.

Monthly meetings are open to any law enforcement or business personnel involved in crime prevention and security. We move our meetings to different agencies and locations each month. Please check the calendar for times, locations and maps.

The Central Florida Crime Prevention Association is a not-for-profit and accepts donations.
