- Scholarship Opportunity- SeniorCare.com wants to bring more awareness to the key issues we face as an aging population. For the 5th consecutive year, they will be awarding an annual college scholarship to an individual that best demonstrates to them why "Aging Matters." A \$1500 scholarship will be given annually to a selected college student that currently cares for an aging loved one, works within the senior community, or intends to pursue a career that will have an impact on the elder population. Any existing student (or incoming freshman), in good academic standing, at a 2 or 4 year accredited college can apply for this scholarship.
