

What to Do in the Event of an Auto Accident

✓ EXCHANGE INFORMATION WITH THE OTHER DRIVER.

Name, phone number, and address first.
Then insurance company, policy number,
driver's license number, and plate number.

Filing a report **now** will speed
up your insurance claim later.

Be sure to give them as detailed of a report as
you possibly can. This is bound to **save you some trouble.**

✓ TAKE PHOTOS AND NOTES.

You'll need these as evidence when working
with your claims adjuster. Take plenty.
You can never have too many!

When all is said and done, you're going
to need to get that car back on the road.
Contact your mechanic to set up repairs
as soon as you're ready.
